

Mission and Vision

We call EnGedi *a place to be refreshed* because we want to create a place for students to get away from the burdens of life and be re-charged and energized. Therefore, **your part as a staff member is vital in positively affecting the lives of our students.**

Mission: EnGedi is a Christ-centered organization dedicated to strengthening the community of Cedar Springs and the surrounding areas through the building up of our students and their families. We want to see *every* student in the Cedar Springs area positively impacted by EnGedi. Therefore, **all EnGedi staff members must have a personal relationship with Jesus Christ and be actively involved in their church.**

Vision: EnGedi desires to work together with organizations already in place to help our students make positive life choices. We believe that we will be better and more effective together than we would be working separately. **As a staff member, we trust that you will do all you can to represent EnGedi well, and to help be a bridge-builder to others in our community—parents, teachers, community leader, and others.**

Goals:

1. We want to provide our students with a safe environment, with caring adults who desire to make investments into the lives of our students.
2. We want to see every student and family make an informed decision about following Jesus Christ as their Lord and Savior.

In applying for a position as an EnGedi Youth Center staff member (whether volunteer or paid employee), by signing below you are agreeing to: **(1) Uphold the EnGedi mission and vision noted above; (2) Be familiar with the EnGedi Handbook which is distributed to each family; and (3) Conduct yourself in a Christ-like manner.**
